

Leader 10.5

JEANNEAU LEADER · SPORT CRUISER

A sport boat's speed with a yacht's comfort — built for couples' cruises, family trips, and dockside entertaining.

LOA	BEAM	DRAFT	CABIN	CRUISE	ENGINES
35'10"	10'8"	2'5"	1 (fits 4)	29 kt	2×300–425 hp

Overview

The Leader 10.5 (Series 2) pairs a double-step Michael Peters hull with two distinct outdoor living spaces: an aft cockpit saloon with an outdoor galley and electric grill, and a forward sundeck with adjustable backrests. Twin outboards up to 425 hp give it a 48-knot top end.

Below, the cabin comfortably sleeps four with bright, window-lined spaces. The convertible breakfast nook doubles as a private double berth aft, and a separate head with shower gives real weekend-cruising comfort in a 36-foot day boat.

Standard Highlights

- Aft cockpit outdoor galley with electric grill
- Forward sundeck with adjustable backrests
- Opening terrace to port creates an extra swim platform (Series 2)
- Cabin sleeps 4 with a separate head and shower
- Bow thruster standard for easy docking
- Twin-step hull built for long-distance cruising at speed

Compared to the Leader 9.0: the 10.5 adds roughly 5 feet of LOA, more cockpit living space, and higher fuel capacity for longer-range cruising — at a meaningful step up in price.

Full Specifications
