

# Leader 9.0

## JEANNEAU LEADER · SPORT CRUISER

The entry point to the Leader line — sporty handling and real weekend-cruising comfort in a 30-foot hull.

| LOA    | BEAM | DRAFT | CABIN      | TOP SPEED | ENGINES      |
|--------|------|-------|------------|-----------|--------------|
| 29'11" | 9'9" | 2'1"  | 1 (fits 4) | ~50 mph   | 2×250 hp max |

### Overview

The Leader 9.0 blends sport-boat speed with more cabin livability than its size suggests. Twin Yamaha 250 hp outboards push it to a 50-mph top end and a comfortable 30-mph cruise, with a Michael Peters-designed hull that stays composed at speed.

The galley is split — a half-galley in the cabin plus an outdoor console opposite the helm with sink, single burner, and fridge — freeing up cabin footprint for a genuinely usable double berth and enclosed head with separate shower.

### Standard Highlights

- Bolstered helm seating with neck rests for driver and companion
- L-shaped aft cockpit saloon for casual seating
- Outdoor galley console with sink, single burner, and fridge
- Enclosed head with separate shower
- Bow thruster standard for easy docking
- High coamings and rails throughout for family safety

**Best fit:** buyers who day-cruise with 4–6 people and want an easy boat to manage, valuing cockpit space over cabin size. Buyers who overnight regularly should look at the Leader 10.5 or NC 895.

### Full Specifications

|                      |                               |
|----------------------|-------------------------------|
| Length Overall (LOA) | 29'11" / 9.12 m               |
| Beam                 | 9'9" / 2.97 m                 |
| Draft                | 2'1" / 0.64 m                 |
| Displacement         | 5,483 lb / 2,487 kg           |
| Fuel Capacity        | 140 gal / 530 L               |
| Water Capacity       | 26 gal / 98 L                 |
| Max Engine Power     | 2× Yamaha F250 (500 hp total) |
| Cabins               | 1 (sleeps 4)                  |
| Heads                | 1                             |
| Cruise Speed         | ~30 mph                       |
| Top Speed            | ~50 mph                       |
| Builder              | Jeanneau                      |

### Good to Know

- Also sold as the Cap Camarat 9.0 overseas
- Available in CC (fishing-oriented) and WA (walkaround) configurations
- Handles 1–2 ft Bay chop cleanly; not built for open ocean
