Overview

Winner of Boot Düsseldorf's Yacht of the Year in 2018, the Sun Odyssey 440 introduced the walk-around deck that later spread across the entire Sun Odyssey line. A full-length hull chine and fuller bow give it more form stability and interior volume than its predecessor.

The layout offers two or three cabins, with the aft end configurable as two cabins or one cabin plus a utility room for A/C units and a drawer freezer. A central galley island keeps stowage inboard on the centerline, and rectangular berths mean standard household sheets fit — a small but appreciated detail.

Standard Highlights

- Walk-around deck with side decks sloping into the cockpit
- Central galley island keeps weight on the centerline
- Rectangular berth shapes — standard sheets fit
- Choice of deep or shoal draft keel
- Multiple rig options: classic, furling, self-tacking jib, Code 0
- Optional water-maker, solar, and extra battery capacity for long-range cruising

Why it fits Chesapeake Bay owners: the shoal-draft option (5'2") reaches shallower Bay anchorages the standard 7'2" draft can't, and the walk-around deck makes shorthanded sailing considerably easier for cruising couples.
