

Sun Odyssey 490

JEANNEAU · PERFORMANCE CRUISER

The largest of Jeanneau's walk-around-deck Sun Odysseys — a true offshore cruiser with a forward owner's suite that rivals much larger yachts.

LOA	BEAM	DRAFT	CABINS	SLEEPS	ENGINE
47'3"	14'8"	5'4"–7'4"	2–5	6–8	57–80 hp

Overview

The Sun Odyssey 490 brought Jeanneau's walk-around deck concept to its largest Sun Odyssey yet, with inclined side decks that slope gently to the cockpit floor so there's no stepping over coamings from bow to stern. Twin spade rudders and a full-length hull chine keep the boat balanced and easy on the helm.

The forward owner's suite is a true parental retreat — a queen island berth, central bookcase, integrated TV, and a private en suite bathroom with 6'6" of headroom in the shower. Layouts range from a 2-cabin owner's version up to 5 cabins and 4 heads for charter-style use.

Standard Highlights

- Walk-around deck with inclined side decks, no cockpit coamings to climb
- Forward owner's suite with queen island berth and en suite bath
- Hinged cockpit coamings fold out into daybeds
- Twin wheels, twin spade rudders, extra-large swim platform
- 2 to 5 cabin layouts, 1 to 4 heads, for owner or charter use
- Hard chine hull adds stability and interior volume

Recognition: named Best Imported Cruiser (Cruising World) and Best of the Best (Robb Report) in its debut year — a strong talking point for higher-intent buyers comparing against other 45–50ft cruisers.

Full Specifications

Length Overall (LOA)	47'3" / 14.40 m
Beam	14'8" / 4.49 m
Draft (standard / shoal)	7'4" / 5'4"
